Agenda

➤ **Welcome/Introductions – Thank you for attending!**

➤ **Data Completeness reports**

Told everyone that the 2014 Data Completeness report has not been released yet. Bowman is unsure when it will be released. In the meantime, the APR detail report is being sent to everyone. This report also shows errors to the data in HMIS.

➤ **Running the APR report**

Reminder that when running the APR report make sure that you say yes to the last question concerning Interim reviews. Not many users run the APR report.

➤ **Income questions**

Explained that when answering the income sub assessment, the income amount/s must match the amount answered in the question “Total Monthly Income”.

➤ **Review of Interims**

Demonstrated how to do Interim reviews.

Our next meetings will be as follows:
